MAX PRESSURE WASHING

DRIVEWAYS & OUTDOOR SURFACES

Shoalhaven, NSW

We don't just clean. We transform.

See eight genuine Max Pressure projects, paired before and after.

A refreshed driveway frontage

Weathered surface to a renewed colour-coated finish.

BEFORE

AFTER

Driveways, pool surrounds and outdoor stairs

See the projects overleaf, then ask about your own surface.

Driveway transformations

An entrance and a stamped driveway, each shown before and after.

A wider street-facing entrance

The driveway transformation, seen from the street.

BEFORE

AFTER

Stamped driveway refresh

The same sloping, patterned driveway before and after.

BEFORE

AFTER

Outdoor surfaces

A modern entrance and poolside paving.

Modern home, renewed entrance

Before and after the driveway at a contemporary home.

BEFORE

AFTER

Poolside paving makeover

A renewed outdoor surface around the pool.

BEFORE

AFTER

Driveway finishes

Two more ways a weathered driveway can be renewed.

Driveway renewal with a modern finish

The difference from the street, before and after.

BEFORE

AFTER

Patterned concrete, new presentation

The same patterned concrete driveway before and after.

BEFORE

AFTER

Outdoor stairs

A before and after comparison, followed by how to get started.

Outdoor stairs transformation

The same outdoor staircase before and after.

BEFORE

AFTER

What could your driveway look like?

Send a few photos or arrange a site assessment. We'll discuss your surface, the finish you want and what is suitable for your property.

See the JTT Directory profile

Service areas include Nowra and the Jervis Bay area.

Coating suitability is assessed on site. A coating is not structural repair.
