YOUR LOCAL BUSINESS PROFILE

RM Carpentry & Concreting

Carpentry · Concreting · Renovation enquiries

Practical improvements. Quality work you can see.

Tell Ryan what you have in mind. A few photos, your suburb and the outcome you want are a useful starting point.

Concrete driveway project — RM Carpentry & Concreting

Tell us about your project

RM Carpentry & Concreting works on carpentry, renovation and concreting projects around Jervis Bay and Bay and Basin. Share the project, location and result you want with Ryan to confirm scope and availability.

- **Carpentry**
- **Concreting**
- **Renovation enquiries**

- **Excavation enquiries**
- **Commercial enquiries**

Discuss suitability, availability and any required contracting arrangements directly. This profile does not certify licences or qualifications.

A closer look at the work

Original photographs from the business's own Facebook page, used with permission. Open any image to see it in full. These are project views, not before-and-after comparisons.

Covered outdoor renovation project — RM Carpentry & Concreting

Service area

Based in Sanctuary Point. Servicing Jervis Bay and surrounding areas — ask Ryan to confirm your suburb and project scope.

The enquiry form lists currently confirmed suburbs. For another location, request contact details and check suitability.

What happens next?

1. Share the job, suburb, photos and preferred timing.

2. Ryan can confirm whether the project is a fit and discuss a site visit or quote where needed.

3. Agree the scope and timing directly before booking work. Sending an enquiry does not book a job.

Help & profile information

This is a free business profile. Request contact details through the enquiry form. The project enquiry saves a reference in JTT and uses its notification workflow. Provider acceptance and a genuine response are different facts. Confirm scope, current availability and suburb before proceeding.
